

# COMMERCIAL UAV EXPO

Commercial UAV Expo is the leading commercial drone conference for the Security Industry. With top-notch education and an unparalleled exhibit floor filled with the highest precision UAS technology, Commercial UAV Expo was a great opportunity to be exposed to the latest technology, trends and developments in the industry. UAS integration and operation in select commercial markets.

INSPIRED FLIGHT had an awesome time at the Commercial UAV Expo in New York! We were thrilled with the feedback our IF750A Quadcopter received, regarding security applications. We enjoyed speaking with people who are playing major roles in growing the security sector for drone technology. It was inspiring seeing the numerous security applications drones are capable of, and we are proud to be part of the movement.
